Imperial School of Agri Business

Summer Placements Summary

MBA-FABM 2020-22

“ISAB provided 100 % summer placement for MBA-FABM”

ISAB secured 8th rank among all top abm colleges in India

Message from Placement Secretary

ISAB Greater Noida successfully conducted its summer placement process for the batch of 2020-22. The students have been offered internships in multiple domains by esteemed recruiters. The institute has provided 100 % summer placement to all the students of MBA- FABM 2020-22 batch. Making the choices and taking the right decision to get summer placement from well-recognized companies is the first step that all our students have accomplished. ISAB attracted top brands from the industry to hire the students for various roles in finance, dairy, automobile, consulting, poultry and many others. Students are offered challenging roles in these sectors which would broaden their hands-on experience and provide them the platform to nurture existing skills and develop new ones.

“Every accomplishment starts with the decision to try.” The entire effort of two year residential MBA- FABM program at ISAB is designed to unlock the potential and to enhance the competency of students. The wide range of diversity that we could bring in during the summer placement process is a stepping stone to success. The batch of 2020-22, is a mix of talented youth from diverse socio-cultural backgrounds and disciplines and offers a variety of options to recruiters. With all the hard work and perseverance of the entire placement team, all our batch mates have joined well-reputed brands in Agri-business and related sectors for their summer placement and entered the corporate world.

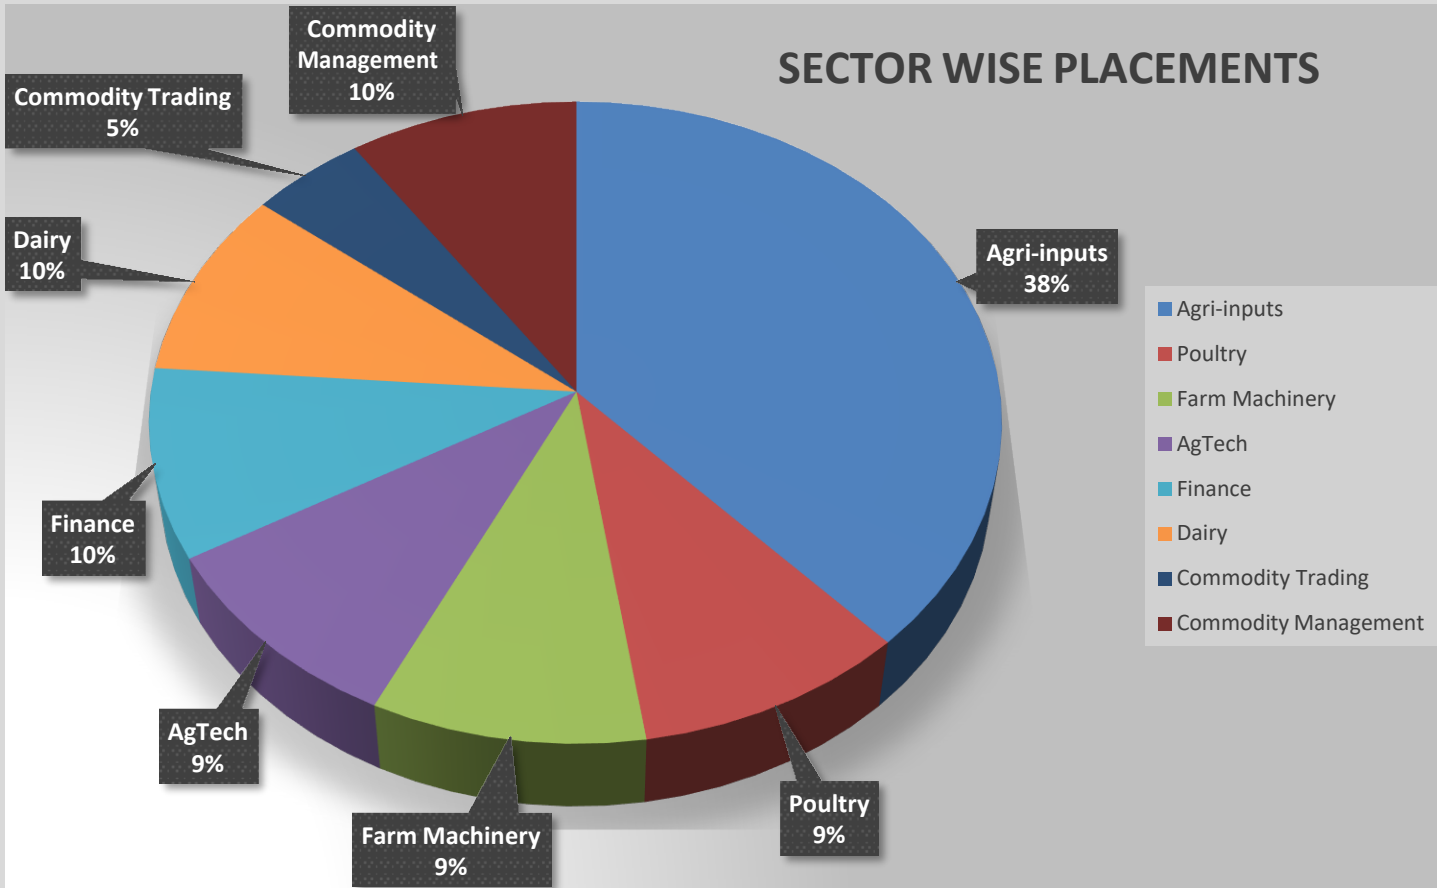

Saksham Kataria
