Message from the Leadership Team

MR. SAURABH V PANDEY

FOUNDER & PROMOTER

ISAB, GN

It is a matter of great pride to see Krishna Unnati - August Edition bringing together the vibrant experiences, achievements, and learning of our students.

The vision behind our institution has always been to create an environment where young minds can transform knowledge into meaningful action. Today, this vision is reflected in the way our students participate in academic activities, industry interactions, agricultural field experiences, cultural events, competitions, sports, and various initiatives across the campus.

This edition is a celebration of that spirit. The glimpses of Krishna Digdarshan, industry expos, Chapter Meets, Darpan, cultural celebrations, and student activities showcase not only what our students have accomplished, but also the confidence, creativity, and leadership they are developing along the way.

I extend my appreciation to our students, faculty, and staff for their enthusiasm and commitment. May Krishna Unnati continue to be a platform that celebrates learning, inspires ideas, and reflects the evolving journey of our institution.

Let us continue to learn, innovate, and contribute towards a stronger and more sustainable future for agriculture and society.

– From the Founder & Promoter Desk

Message from the Leadership Team

DR. PRADYUMNA PANDEY
CHAIRMAN
ISAB, GN

It gives me immense pleasure to present the August Edition of Krishi Unnati, a reflection of the vibrant learning, achievements, and experiences of our students.

At ISAB, we believe that education goes beyond the classroom. Through academic initiatives, industry exposure, cultural celebrations, competitions, sports, educational visits, and practical agricultural experiences, our students are encouraged to learn, explore, and grow with confidence.

This edition beautifully brings together the diverse moments that have shaped our campus journey—from Diksharambh and Chapter Meets to industry expos, Krishi Digdarshan, Darpan, cultural celebrations, and student activities. Each experience represents an opportunity to develop knowledge, leadership, teamwork, and a broader perspective.

I sincerely appreciate the efforts of our students, faculty, and staff in making these activities meaningful and memorable. I hope Krishi Unnati continues to celebrate the spirit of learning and inspire our students to contribute positively to the future of agriculture and the agri-business sector.

Wishing Krishi Unnati continued success and all our students a bright and fulfilling journey ahead.

– From the Chairman Desk

Message from the Literary and Public Speaking Cell

Ankit Bhatt
Secretary
LPS Cell

It is a privilege to present Krishi Unnati, a celebration of the vibrant journey of our campus. As the Secretary of the Literary & Public Speaking Cell, I have witnessed how every event and activity has created opportunities for students to learn, express, connect, and grow.

From Chapter Meets, Sangosthi, inter-college competitions, industry expos, cultural celebrations, and sports activities to our Morning Reading Sessions, each initiative reflects the spirit of learning beyond the classroom.

I extend my heartfelt gratitude to our respected leadership team, faculty members, ISAB Staff members and students for their constant support and enthusiastic participation. May Krishi Unnati continue to capture our memories, celebrate our achievements, and inspire us to grow together.

Himani Awasthi
Co-Secretary
LPS Cell

Some journeys are measured in milestones; ours is remembered in moments, memories, and the people who make them special.

It gives me immense joy to present this edition of Krishi Unnati—a glimpse into the vibrant life of our campus and the experiences that make the ISAB journey truly memorable. From Chapter Meets and Sangosthi to industry expos, inter-college competitions, cultural celebrations, sports, and Morning Reading Sessions, every page carries a story of learning, connection, creativity, and growth beyond the classroom.
As Chief Editor and Co-Secretary, being a part of bringing these moments together has been both a responsibility and a cherished experience.
My heartfelt gratitude to our leadership, faculty, ISAB staff, students, and every contributor whose enthusiasm and efforts gave life to this edition.

Turn the pages, relive the moments, and discover the journey we created together.

Abhyuday 2026

From Campus Dreams to Professional Journeys

Abhyuday 2026 marked a proud and emotional milestone for the MBA–Food & Agribusiness Management Batch 2023–25. The convocation celebrated not only academic achievement, but also the friendships, challenges, leadership experiences, and personal growth that shaped every student's journey at ISAB. As graduates received their degrees, the moment reflected both accomplishment and anticipation for the road ahead. Graced by the institute's leadership and faculty, the ceremony became a fitting farewell to campus life and a powerful beginning to new ambitions. Abhyuday truly represented rising forward—with knowledge, confidence, purpose, and the determination to create meaningful impact in the agribusiness world.

Sahaja Yoga Musical Evening

Harmony Within, Melody Around

The Sahaja Yoga Musical Evening at ISAB Greater Noida offered students a serene blend of music, meditation, and mindfulness. Centered on the theme "Kundalini Awakening through Music & Meditation," the session encouraged participants to slow down, reconnect with themselves, and experience a deeper sense of inner balance. Through soothing melodies and guided meditation, students explored how mindfulness can enhance focus, emotional well-being, and personal effectiveness—qualities equally valuable in academic and professional life. Conceptualised with the support of the Music Club, the evening beautifully transformed the campus into a space where music inspired reflection and stillness created meaningful memories.

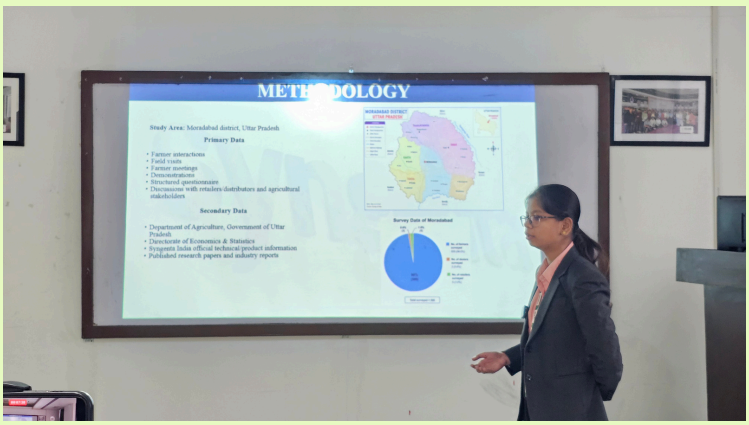

Sangosthee 2026

Learning Beyond the Classroom

Sangosthee 2026 transformed summer internship experiences into a platform for reflection, learning, and professional growth. Students presented their industry exposure, business challenges, key insights, and practical outcomes before an esteemed jury comprising Mr. Tushar Pandey, Dr. Neha Gangwar, and Mr. Mohit Sharma. Their academic and industry perspectives enriched the presentations through valuable feedback and guidance. The event encouraged critical thinking, confident communication, and the application of classroom concepts to real-world agribusiness challenges. More than an academic presentation, Sangosthee celebrated experiential learning and marked an important step toward becoming industry-ready management professionals.

Diksharambh 2026

A New Journey Begins

With Chief Guest Dr. V. P. S. Arora, Diksharambh 2026 warmly welcomed the MBA–Food & Agribusiness Management Batch 2026–28 to their journey at ISAB. The programme brought together academic, alumni, and industry perspectives through insights from Dr. Pradyumna Pandey, Dr. Shiv Kumar, Dr. Shashi Bala Rai, alumnus Shivansh Singh, Mr. Nalin Rawal of AgriWatch, and Dr. Shailendra Singh of Zydex Industries. Their words highlighted adaptability, continuous learning, leadership, and the evolving agribusiness landscape. More than a welcome, Diksharambh marked the first step towards a journey of knowledge, growth, and purpose.

DARPAN 2026

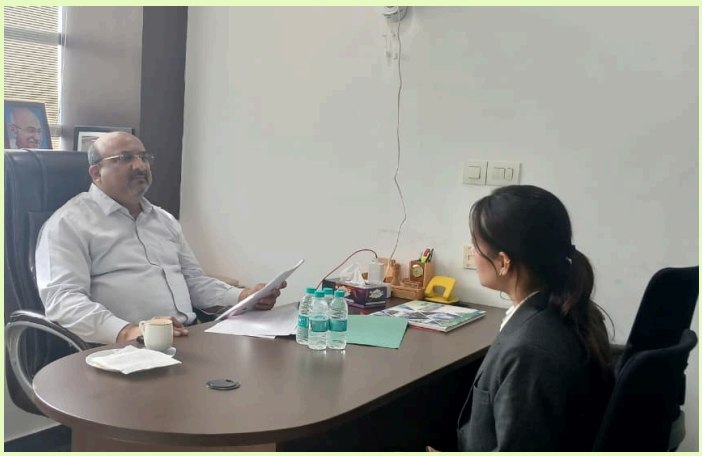

Where Preparation Meets Possibility

Darpan 2026 offered the MBA–FABM Batch 2025–27 a valuable opportunity to experience the placement process before facing the real stage. Designed around mock Group Discussions and Personal Interviews, the session helped students understand how recruiters assess communication, confidence, analytical thinking, body language, and professional presence. Industry experts Mr. Nalin Rawal – AgriWatch, Dr. Meemansa Pandey – International Tractors Limited (Sonalika Tractors), and Ms. Rambha Jha – LeadsConnect Services Pvt. Ltd. shared practical insights and personalised feedback. The experience helped students reflect on their strengths, work on improvement areas, and step closer to future opportunities with greater preparedness and confidence.

Celebrating Diversity

Onam & Milad-un-Nabi

At ISAB Greater Noida, festivals are more than cultural occasions—they are moments that bring the entire campus community closer. The celebrations of Onam and Milad-un-Nabi beautifully reflected this spirit of inclusiveness and shared respect. While Onam filled the campus with colour, music, dance, and traditional festivities, Milad-un-Nabi was observed with warmth, reflection, and values of peace and compassion. Students from diverse regions and backgrounds came together to participate in both occasions, appreciating each other's traditions and creating memories beyond the classroom. These celebrations truly represented the spirit of ISAB—different cultures, shared joy, and one united community.

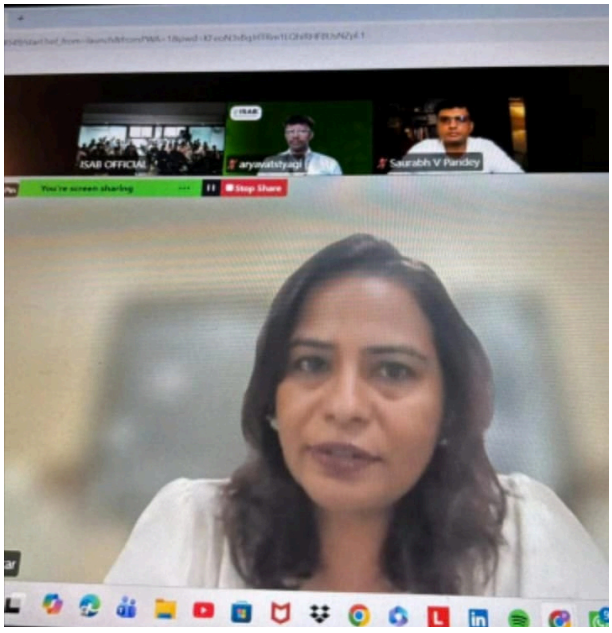

Krishi Digdarshan

Learning from Leaders, Every Week

Krishi Digdarshan 2026 is not just an expert talk series, but a continuous bridge between classroom learning and the realities of the agribusiness industry. With two to three expert interactions organised every week, students regularly engage with professionals from diverse domains and gain first-hand insights into emerging trends, career pathways, business challenges, and industry expectations. Sessions by Mr. Lokesh Joshi, Deputy General Manager, JU Agri Sciences Pvt. Ltd., and Mr. Rajat Srivastava, General Manager – Regulatory Affairs & IPR, General Crop Science Pvt. Ltd., highlighted areas such as business ethics, customer understanding, regulatory affairs, IPR, and professional growth. The series keeps learning dynamic, practical, and closely connected with the industry.

Janmashtami

Where Tradition Inspires Purpose

The spirit of Janmashtami filled the students with devotion, reflection, and a renewed sense of purpose. Celebrating the birth of Lord Krishna, the occasion highlighted timeless values of duty, wisdom, courage, compassion, and purposeful action principles that continue to guide both life and leadership. The festive atmosphere brought everyone together in joy and cultural harmony, while also encouraging deeper reflection on balance, integrity, and inner strength. Through such celebrations, students experience traditions not merely as rituals, but as meaningful lessons that enrich campus life, strengthen togetherness, and connect cultural values with everyday learning and personal growth.

Parichay Night

Where New Faces Became Familia

Parichay Night was a lively celebration of connection, belonging, and the beginning of new friendships. The evening gave seniors and juniors the perfect opportunity to interact beyond classrooms through engaging games, music, drama, conversations, and the energetic Chit-Chat Challenge. What began as introductions soon turned into laughter, shared stories, and stronger bonds across batches. The highlight of the evening was the recognition of Mr. Parichay – Seraj Alam and Miss Parichay – Ravathi Ajay, adding a celebratory spark to the event. Parichay Night truly reflected the spirit of campus life—welcoming, vibrant, and built on relationships that grow with time.

IBET Expo 2026

Exploring the Future of Bioenergy

The visit to the India Bio Energy & Tech Expo (IBET Expo) 2026, held at India Expo Centre & Mart, Greater Noida, offered students a valuable opportunity to explore the rapidly evolving world of sustainable energy and green technologies. Organised by the Agro Marketing Club, the visit exposed students to innovations in compressed biogas, ethanol, biodiesel, biomass,waste-to-energy, biomaterials, and sustainable aviation fuel. Interactions with industry professionals and exhibitors helped connect classroom concepts with real-world applications of sustainability, circular economy, and agribusiness, broadening students' understanding of how agriculture, technology, energy, and business are shaping a sustainable future.

Independence Day

Freedom That Inspires, Unity That Defines Us

Independence Day was celebrated with immense pride, enthusiasm, and a shared sense of belonging as the campus came together to honor India's journey of freedom. The flag hoisting ceremony set a patriotic tone for the day, followed by soulful songs, energetic dances, mimicry, meaningful skits, and expressive shayari. Each performance became a tribute to the courage of our freedom fighters and a reminder of the values they stood for. The celebration encouraged students to look beyond festivity and recognize that true independence also means responsibility, unity, and the determination to contribute towards a stronger and more progressive nation.

Agra Visit

Where Heritage Met Togetherness

The Agra visit offered students a memorable escape from the classroom and a chance to experience learning in a completely different setting. A visit to the Taj Mahal brought history, architecture, and culture to life, while the journey itself created countless moments of laughter, conversation, and connection. For the juniors, it was an opportunity to know one another beyond academics and strengthen the sense of belonging within the batch. With the support of Mr. Rajat Mishra and Mr. Sandeep Kumar, the trip became a perfect mix of exploration, friendship, and shared experiences—turning a simple visit into a collection of lasting memories.

Teacher's Day 2026

Honoring Mentors, Strengthening Industry-Academia Partnerships

Teacher's Day 2026 became even more significant with the signing of a Memorandum of Understanding between ISAB Greater Noida and Parijat Industries (India) Ltd. The collaboration marked an important step towards strengthening industry-academia engagement and creating greater opportunities for experiential learning, professional exposure, knowledge exchange, and career development. The occasion also celebrated the educators whose mentorship continues to shape confident and capable professionals. Graced by Mr. Saurabh V. Pandey, Dr. Pradyumna Pandey, Mr. Devinder Kumar Sharma, and Mr. Jashodeep Sarma, the event beautifully connected gratitude for teachers with a forward-looking commitment to student growth and industry readiness.

Sports Activities

Who says learning happens only inside classrooms? Our sports activities brought a refreshing change to everyday campus life. Mornings began with energetic Zumba sessions, setting the tone for an active and positive day. Sundays added their own charm with cycling and frisbee, while evenings turned competitive with exciting rounds of table tennis and carrom. From cheering for teammates to celebrating small victories, every activity strengthened our sense of belonging. More than just recreation, these moments taught us the value of discipline, teamwork, resilience and healthy competition—reminding us that some of the best lessons are learned while having fun.

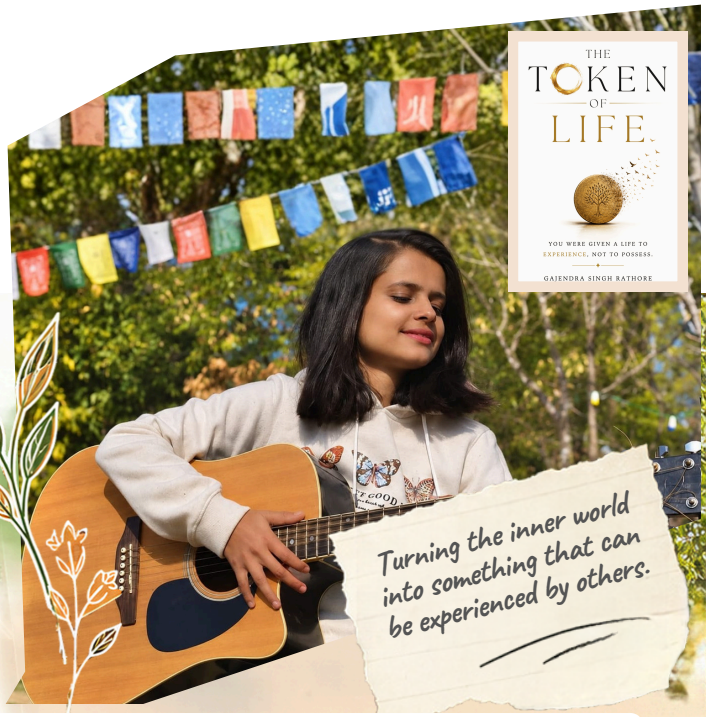

Passion Beyond Profession

Ms. Anshudha

Brand & Communications Strategist

Art & Inner Life

For me, art has never been only about creating something beautiful. It has always been a way of expressing what cannot always be put into words. Sometimes, a thought becomes a design. Sometimes, an emotion becomes a song. Sometimes, a moment of stillness becomes an idea. I have always found creativity closely connected with my inner life. When the mind becomes quiet, ideas begin to flow naturally. Whether I am designing a poster, creating a visual identity, playing my guitar, or simply sitting in silence, I experience the same thing, a space where I can be completely present.

Music has taught me to listen, design has taught me to observe, and meditation has taught me to pause. Perhaps that is what art truly means to me: turning the inner world into something that can be experienced by others.

And I believe every person is creative in some way. We dont always need to be artists. We simply need to give ourselves enough silence and freedom to discover what wants to come through us.

Mr. Rajat Mishra

Deputy Manager, HR & Administration

The Joy of Giving Back

For me, social welfare is about finding purpose in being useful to others. I believe true fulfillment lies in bringing smiles and making a meaningful difference.

My social engagement includes the Yamuna Cleaning Drive in Delhi, contributing to curriculum development and classroom design for Delhi Government Schools, and participating in a Raakhi-making initiative for school students. Each experience reinforced the value of collective responsibility, creativity, and compassion.

These initiatives have enriched me with purpose, happiness, and fulfillment. For me, giving back is not an obligation, but a privilege and a beautiful way to make a difference.

Alumni Spotlight

Every individual carries a unique spark something that inspires, excites, and brings joy to life. Our alumni beautifully reflect this spirit through their diverse passions, each telling a story of creativity, adventure, and self-expression.

Arpita Singh | Batch 2023–25 finds her happiness in art and craft, transforming imagination into beautiful creations, one detail at a time.

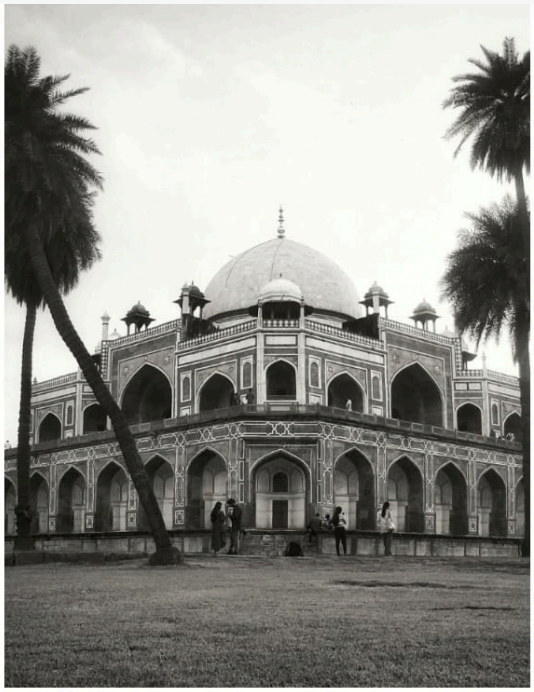

Satyam Katara | Batch 2023–25 embraces the thrill of cycling, finding freedom, adventure, and fresh perspectives with every ride.

Shivabhodayya | Batch 2023–25 captures life's fleeting beauty through photography, turning precious moments into timeless memories.

Three unique passions, three inspiring personalities, and countless stories waiting to unfold. Their journeys remind us that the things we love are not just hobbies—they are little reflections of who we are and what makes life beautiful.
